- ***Case studies for anyone considering a career in insolvency law***
- ***A guide to acting for or against an insolvency practitioner***
- ***Building and leveraging the relationship with a liquidator***
- ***Potential hazards when acting on either side of an insolvent party***

Nathan is an AALA member and the founder of Black Box Accounting. Before starting his own firm he spent 12 years at a national accounting practice, including as head of its South Australian office. Nathan's areas of expertise include personal and corporate insolvency and forensic accounting (e.g. litigation support). In addition to being a Registered Liquidator, he is an admitted legal practitioner and is a Certified Fraud Examiner. Nathan is a member of the Australian Reconstruction Insolvency and Turnaround Association's technical working group as well as the Divisional Advisory Committee of the Institute of Public Accountants.
